

ESE Practical Exam

Advance Web Technology, 23CP308P

AWT, 6th sem (01/05/2024, 4-6:30)

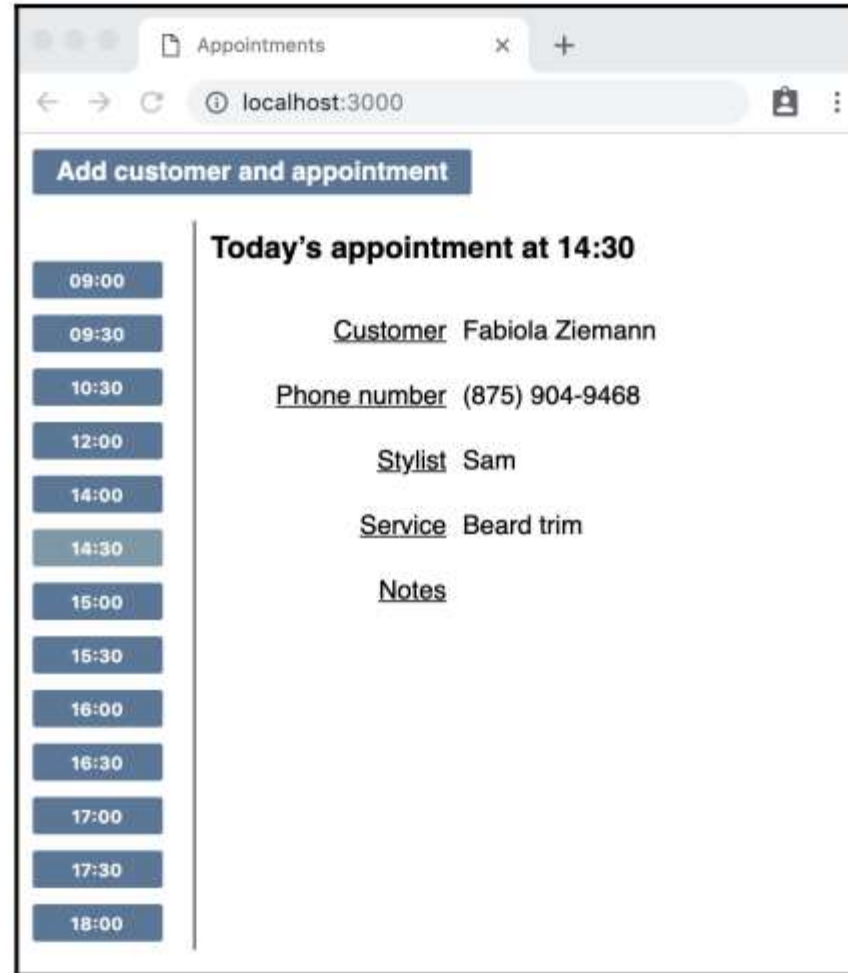

Task 1

Preferable: Design an event calendar using React.

After clicking on particular event on right side, that particular event section should enlarge and give brief description of the event.

Task 2

The screenshot shows a web browser window with the title 'Appointments' and the address 'localhost:3000'. The page has a dark blue header with the text 'Add customer and appointment'. Below the header, there is a vertical list of time slots on the left, ranging from 09:00 to 18:00 in 30-minute increments. The 14:30 slot is highlighted. To the right of the time slots, the text 'Today's appointment at 14:30' is displayed. Below this, the appointment details are listed: 'Customer Fabiola Ziemann', 'Phone number (875) 904-9468', 'Stylist Sam', 'Service Beard trim', and 'Notes'.
